

Canti-Cuentos

Practice Spanish with Songs and Stories

Enroll your children in an entertaining and engaging class in which they can practice and reinforce the Spanish that they're learning in class. Through songs and stories they will be able to develop their vocabulary and understanding in an enjoyable way.

Learning can be fun too!

Monika Ruiz originated with the idea of Canti-Cuentos when she realized from her Spanish is Fun!!! at SPARK and her Mundo Arte classes at IPS that singing songs and reading stories in Spanish would supplement their weekly lessons. Monika has been teaching children for over twenty years. Her focus has been on developing a curriculum where the learning process is fun and exciting so the kids learn more quickly.
